15673	Ahus - Responsibility in quality and research projects	2.3
17970	Ahus - Data and Material Sharing Agreement	2.2
25351	Ahus - Salary for doctoral fellows/postdoctoral fellows at Akershus University Hospital HF	2.1
32429	Ahus - Archiving of documents for quality and research projects in Public 360	3
32435	Ahus - Remote storage of questionnaires/research data (Skytta)	2.3
32440	Ahus - Accounting and use of funds from transferred Inven2 funds	2.1
32442	Ahus - Cooperation agreement between the University of Oslo (UiO) and Akershus University Hospital HF (Ahus)	1.1
32443	Ahus - HSE - coordination agreement between the University of Oslo (UiO) and Akershus University Hospital HF (Ahus)	1.1
32444	Cooperation agreement between UiO and Ahus on clarification of the institution responsible for research in medical and healthcare research	1
33939	Ahus - User participation in research projects	2
33940	Ahus - Presentation of the research group	1
33941	Ahus - Information on patient-directed clinical treatment studies	2
33942	Ahus - Presentation of a research project that is not experimental treatment	1

33943	Ahus - Mandate for research groups	1
33993	Ahus - Job description for research manager in division/clinic	1.1
34152	Ahus - Workflow - handling of research-related unwanted incidents/deviations	1.2
34153	Ahus - Treatment, closure and follow-up of research-related adverse events/deviations	1.3
34316	Ahus - Registration of clinical trials in ClinicalTrials.gov, Ahus.no and the EU Clinical Trials Register	1.5
34333	Ahus - Joint integrity committee for research for the Department of Clinical Medicine and the university hospitals	1.1
34334	Ahus - Form for foreign payment	1.1
34336	Ahus - Hourly payment for assistance in research projects	2.2
34378	Ahus - Mandate for research committee in clinic/division/department	1.1
34379	Ahus - Overview of legislation and guides for use in EQS procedures, research and innovation	1.3
34807	Ahus - Form for requests to service departments in researcher-initiated clinical studies	1.6
34826	Ahus - The data subject's rights in quality and research projects	1.1
34827	Ahus - Obtaining consent in quality and research projects	1
34912	Ahus - Order access in DIPS for monitors in clinical drug trials	2.3
35029	Ahus - Supervisor - Preparation of research protocol	1.1
35413	Ahus - Data management plan for digital research data	1.1
35789	Ahus - Collaboration agreement template for research projects	2.1
35793	Ahus - Notice of change for quality and research projects	1
36374	Ahus - Accounting and use of the health company's income from innovations and clinical commissioned studies	2.3
38857	Ahus - Responsibilities and division of tasks for trial lecture and defense	1
39683	Ahus - Reimbursement of travel expenses and other study-related expenses for patients participating in clinical trials	1.1
40752	Ahus - Monitoring of clinical trials locally at Ahus	1.1
40762	Ahus - Mandate for Research Representative	2
40893	Ahus - Internal research funds - routines and criteria for the allocation and use of funds	1.4
41067	Ahus - Processing of cases of possible breach of recognized research ethics norms	1.1

41208	Ahus - Creation of a general research biobank	1.1
41210	Ahus - Access and delivery of material from the research biobank	1
41211	Ahus - Clean-up, audit and destruction of research biobank	1.1
41212	Ahus - Supervisor for preparing the biobank protocol	1
41459	Ahus - Disclosure of personal data to external quality and research projects	1
41588	Ahus - Extension of employment in the event of leave or sick leave for employees in positions such as postdoctoral fellows or fellows	1
41728	Ahus - Control and calibration of medical equipment in clinical studies	1
15679	Ahus - Time list for free purchases/costs related to projects	2.2
