

# Registration for research course V2024

**Welcome to the spring course in "Pathway for quality and research projects"!**

The course portfolio in spring 2024 is divided into various modules that are held over 2 days, **Thursday 14 and 21 March** .

All courses will be opened for both physical and digital participation. Physical attendance is in Nye Nord, the Auditorium (meeting room 033) on the 5th floor. Remember to tick the box for physical or digital participation in the registration form.

We keep an overview of registered and attended participants for the administration of the courses, as well as being able to offer course confirmation to those who wish. The information is deleted within 1 year.

Summons with possibly link for digital participation, sent by email well in advance of the start of the course. In order to capture your registration and send out the invitation, note that the registration deadline is 2 days before the course date.

If you have any questions, please contact [Fellesmail.Kursportefolie.Forskning@ahus.no](mailto:Fellesmail.Kursportefolie.Forskning@ahus.no)

**Time and brief information about each course:**

## ***Thursday 14 March 2024***

### **1. Privacy/ research law and ethics: at 08:30 – 10:00**

Which legislation, guidelines and ethical principles apply to quality and research projects? In this module, we will review the main lines of the current framework, including privacy, non-conformance management and contracts/agreements, as well as how this is taken care of at Ahus.

### **2. Clinical studies and clinical research outpatient clinic: at 10:15 – 11:15**

Clinical studies from A to Z – what are clinical studies, why should we participate and how can they be carried out at Ahus?

## ***Thursday 21 March 2024***

### **3. The library: at 09:00 - 10:00**

Literature search and use of previous research is an important and time-consuming part of all research processes. How can it be done in the best and most efficient way, and what can the Medical Library help you with?

### **4. Administration: at 10:10 - 11:00**

Budgeting, project finance and personnel administration in research. Who does what - and what can we assist with?

### **5. Biobank : at 11:10 - 12:00**

Biobank and practical solutions - what can be found where, what do I need to think about and where can I get help?
