Here are instructions for how to prepare your oral presentation.

1. Prepare your presentation in PowerPoint.
2. The presentation should last no longer than 10 minutes.
3. Bring the presentation on a USB key to the conference.
4. Contact the Moderator in the room for your presentation 15-20 minutes before the session starts.
5. At the end of each oral presentation session, 15 minutes will be spent on plenary discussion.

Remember that to be able to present your work you need to be registered at the conference.
